Tapiton Tape Collection

Tapiton Stair

Tapiton Stair is extremely suitable for securing PVC stair nosing profiles banister edges and skirting boards, among others. Highly plasticiser-resistant, suitable for PVC and vinyl. Tapiton Stair does not dry out and does not become brittle.

Tapiton Flex

Tapiton Flex is a high-quality double-sided carpet/vinyl tape for the professional user. Highly plasticiser-resistant and thus suitable for PVC, vinyl and carpet. Very dimensionally stable thanks to its polyester base. Can be worked manually. Can be used on any desired underlay.

Tapiton Excel

Tapiton Excel is a double-sided carpet tape for the professional user. With this tape, carpeting can even be secured on carpeting. Made with a polyester base to guarantee stability. Easy to tear manually.

Tapiton TSA

Tapiton TSA is a removable double-sided carpet tape. For securing the carpet temporarily. Ideal for exhibitions and events.

Tapiton Alu

Tapiton Alu is a damp-proof aluminium tape for sealing PE moisture barriers and underlays equipped with a moisture barrier.

Tapiton Duct

Tapiton Duct is a universal high-quality water-repellent duct tape. For packing or securing products.

Tapiton Box

Tapiton Box is a universal transparent packaging tape.

Tapiton Paint

Tapiton Paint has a relatively high adhesion strength and should ideally be removed within 24 hours. This is to avoid any glue residues. Usable for paintwork and packaging work.
