Install more metres in less time!

Egalsoft® is an unique anti-slip underlay that provides a durable and easy installation.

The carpet underlay is an impregnated nonwoven with an anti slip treated layer.

Egalsoft® is applicable for both domestic and commercial installation.

Since 1993, millions of square metres of Egalsoft® carpet underlay have been used hassle-free in many homes – more than 20 million square metres!

The benefits of Egalsoft® are clear when you lay it. The self-adhesive non-slip bottom layer saves not only litres of glue, but also your completion time as it reduces your work

You can cover more metres in less time! Removing it is also quick and easy. The carpet and the Egalsoft® are removed in one movement
